December 2019

Empowering older adults to
be active, connected, and

DIRECTOR'S CORNER

Oh the weather outside is frightful....

What a way to kick-off the holiday season! First of all, can you believe it is December

already? Yikes! It seemed like we were just talking about our 10th Anniversary year and all the activities we would host to celebrate, meet new friends and raise a little money doing it.

These events not only demonstrated the diversity in interest among our members and volunteers, but their skills and talents as well. We started with a poetry reading, then learned about soil and later found ourselves "sipping and painting." Our volunteer and member appreciation party was a highlight, with close to 150 guests - we'll have to find a new venue next year! And we do enjoy sharing meals together - Dim Sum, dinner at the Left Bank, Indian cuisine celebrating Diwali and our final celebratory luncheon with comedian Josh Kornbluth.

We thank all the members, volunteers, sponsors and community members who have supported us through the years and believed in the power of neighbors helping neighbors to help address the challenges of aging, the magic of socialization and the importance of connections in our world today.

I wish you all a very happy, healthy Holiday season!

Village Business

Marin Villages' reaps the rewards of Sudha Treasure's

This year, Marin Villages was chosen as one of the top two recipients of the sales generated through the annual Sudha Treasure's sale. Over a three week period, volunteers were on hand, working side-by-side with Sudha and her team, to set up displays, sell beautiful, unique treasures from India, and ultimately assist with the clean-up. A huge thank you to Marin Villages' Board member and volunteer extraordinaire, Annemarie Clark, who coordinated this effort. And did it ever pay off!

Marin Villages has been awarded \$20,000 for its efforts and as a affirmation for the importance of the work we do. **Thank You Sudha Pennathur!**

Be Part of our Year-End Fundraising Appeal!

It's not too late to make a year-end contribution to Marin Villages! Our annual fundraising appeal is in full gear and we're depending on the generosity of friends and supporters to help fund our many programs and activities in 2020. If you would like to donate, just [click here](#) or send a check to:

Marin Villages
4340 Redwood Hwy, Suite F-142
San Rafael, CA 94903

If you are 70.5 years or older, you can make a contribution directly from your traditional IRA to a qualified charity (Marin Villages is one of these), donating up to \$100,000 without it being a taxable distribution. This deduction effectively lowers the donor's adjusted gross income. It is important that you follow the IRS rules, so contact your tax adviser for details.

Due to the holidays, many of our regularly scheduled activities have been cancelled. Please check with us later in the month to see what's happening in January.

FUN, FUN, FUN

We had a wonderful time celebrating our 10th Anniversary with a "finale" luncheon at the Marin Country Club in Novato. Executive Director, Lisa Brinkmann, kicked off the afternoon with an overview of our progress and successes. Supervisor, Dennis Rondoni, presented a Resolution of Appreciation for the work Marin Villages has performed in the county and to congratulate us on our 10 years. Comedian, Josh Kornbluth, entertained us with a humorous, yet serious talk on Aging. Board President, Cherie Sorokin, wrapped up

the event thanking all those who have helped with the event and in the leadership of Marin Villages. It was a very enjoyable event. Below are a few pictures:
