Tiburon Peninsula Village Holiday Party!

December 16 at 5:30 p.m.

Come celebrate the December holidays with Tiburon Peninsula Village members and volunteers. This year our annual dinner will be on December 16 at 5:30 at the home of Cherie Sorokin.

Even though Hanukah is late this year, there will still be Latkes for appetizers. Plus, Woodlands in Tiburon will be catering, so the traditional holiday dinner is sure to be extra yummy. If that isn't enough to entice you, Alan Thomas will be playing music on the piano, and Lisa Brinkmann will be joining us too! Will be a great opportunity to toast Lisa with champagne and wish her well as she moves on from Marin Villages to new adventures.

There is no charge for this event, and all TPV members, volunteers and guests are invited to attend. But, space is limited, so please RSVP to the office ASAP at 415-457-4633 or click here **and not later than December 11**. Please be sure to indicate whether you need a ride!

Looking Back at November

We had a fabulous end to our 10th anniversary events with the luncheon at Marin Country Club on November 17. Our key note speaker, Josh Kornbluth, was charming and very funny. If you weren't able to attend you can google his Citizen Brain videos and see what you missed! Just type "citizen brain" in the online search box of your internet provider.

Marin County Supervisor Dennis Rondoni presented and read a congratulatory resolution from the county that captured the essence of what Marin Villages is all about. These last three paragraphs are a great description of what we do! Hope you agree .

WHEREAS, Marin Villages helps older adults with tasks that might be difficult or impossible for them to handle easily as they age and also provides a comforting connection to local individuals who are really interested in getting to know them and to help ease these sorts of burdens; and

WHEREAS, Marin Villages not only helps solve problems facing older adults, but also provides opportunities for service and purpose to their volunteers, engaging Marin's residents in addressing real needs of our increasingly older adult population.

NOW THEREFORE, BE IT RESOLVED THAT the Board of Supervisors of the County of Marin hereby recognizes and commends Marin Villages and its legion of dedicated volunteers on the occasion of this 10th Anniversary for their ongoing work empowering Marin's older adults to remain active, connected and independent in the places they call home and in the communities they love.

Below are pictures of our TPV Villagers enjoying the event:
