### NOVATO VILLAGE STEERING COMMITTEE SAYS...

#### **Steering Committee Co-chairs Beth Livoti and Linda Henderson say...**

Enjoy those lazy, crazy, hazy days of summer! Remember that song by Nat King Cole? We wish you happy times in the month of August. Remember: stay hydrated—drink fluids, especially water, use sunscreen when out in the daytime, don't let the mosquitoes get you, or the ticks, if you are walking in a grassy, wooded area.

#### **Monthly quote**

*"Devote yourself to loving others, devote yourself to your community around you, and devote yourself to creating something that gives you purpose and meaning. You notice there's nothing in there about salary. If you're trying to show off for people at the top, forget it. They will look down on you anyhow. And if you're trying to show off for people at the bottom, forget it. They will only envy you. Status will get you nowhere. Only an open heart will allow you to float equally between everyone." ~ Morrie Schwartz*

**Morris S. "Morrie" Schwartz** (December 20, 1916 – November 4, 1995) was an American professor of sociology at Brandeis University and an author. He was the subject of the best-selling book *Tuesdays with Morrie*, written by Mitch Albom, a former student of Schwartz. He was portrayed by Jack Lemmon in the 1999 television film adaptation of the book.
