## December 2023 Newsletter

Cherie Sorokin, editor

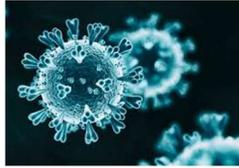

Ho, Ho, Ho! December has arrived and along with it many different holidays to enjoy! December is a great month for intentionally connecting or reconnecting with friends near and far and, of course, for enjoying lots of latkes, cookies, and a bit of the bubbly. Hope many of you will join in one of Tiburon Peninsula Village's gatherings this month. They are always fun, but even more festive at this time of year. The friendships we have in TPV are a wonderful gift to celebrate together. And speaking of gifts, keep a look out for a Santa's Helper from the Tiburon Sunset Rotary who will be delivering a little holiday treat to TPV members the week of December 18—whether you've been naughty or nice.

### Are you up for the Kindness Challenge?

Are you wondering you can do to make the world a better place in these crazy times we live in? How about 21 random acts of kindness? Check out this video and take the kindness challenge. Best of all, you can expand the challenge infinitely!

## Don't miss out on holiday gatherings!

Reminder to get your COVID, flu and RSV shots, and while you are thinking about it, how about the shingles and pneumonia vaccines if you haven't done those already! Holiday gatherings are fun, but also can be great spreaders of respiratory viruses. Vaccinations help protect you from falling prey to one or more of these nasty things or, if you get one, help you have an easier time recuperating quickly. All these vaccines are highly recommended for folks over 65. Wearing masks is a good idea again as well, especially in crowded indoor spaces. Don't let the fact that others might not be wearing them keep you from doing so. And wash those hands! Dr. Mom was right all along!
